If you dig deep into the musical diversity of Terry Warren, Kevin Brewer, and Scott Rogers you will only begin to see the influences that make the recordings so important to the sound of their debut album.
Coming together under the name BLACK MARKET CURRENCY they write music with the attitude of making a timeless and yet modern sound. From the ripping hard rock riffs of the seventies to the complexity of today's music, you are sure to find a sound that you recognize and relate to in every song. Kevin Brewer, Terry Warren and Scott Rogers unite together with a focused direction full of left turns. We hope you enjoy the recordings as much as we enjoyed making them!

Black Market Currency is:

Terry Warren: A seasoned veteran of the recording studio and live stage. Terry hails from Toronto, Ontario Canada and brings his love of all things British to the rock mix of BMC. Terry's main love is writing, but performing live always comes in a close second.

Kevin Brewer: Also a seasoned veteran of recording and live sage. Kevin is from Las Vegas Nevada,USA and brings his writing and production passion to the band/ Kevin's musical influences range from the popular to the sublime, bringing diversity and excitement to BMC.

Scott "ruggs" Rogers: A rock lover through and through, Scott hails from Cleveland Ohio, USA. His dedication to making things come together give Bmc the push in the right direction it needs. Scott's attention to detail ignite the trio both live and in the studio.
