Anders Norman has a real knack for composing authentic, well crafted Americana style music... It's most impressive!
Loving all his harmonies too :)"

Bio:

Anders Norman lives in the countryside in southern Sweden.

A little house by the sea and a studio with a great view of horses, blue water and green acres. This is where he gets the inspiration.

Celebrating 10 years as an original artist next year a new album is in the making. The debut album "It's Time" (2008) was produced by Tony Carey (ex Rainbow).

The follow-up "Easy Street" (2010), was also produced by Tony Carey.

The third album "Just Another Mile" (2012), was recorded in Copenhagen with some heavy names involved. Mastered by 5-time Grammy award winner Richard Dodd in Nashville.

The album "Fragile" (2014), is a compilation album with some unreleased tracks and alternate versions, (never released on the digital platforms.)

In 2015 Norman released an EP "Kärleksstigen" in Swedish.

In 2017 the EP "Live at Folk å Rock" was released.

Anders is currently working in the studio on the next album "Lifelines" to be released in 2018.
