Dirk LP's "With A Vengeance" CD Blasts Out

Dirty Beats and Fresh Rhymes

Veteran hip-hop artist is "living proof" that talent plus hard work equals success

Most nine-year-olds can barely tie their shoes, let alone tell you what they want to do with their lives when they grow up. But Dirk LP knew at a young age that he wanted to be an entertainer, and with a beat machine and a 4-track recorder he set out to accomplish his dream.

Now with his own record company (Dirk Down Records), hit collaborations with big-time DJs and a third full-length studio release ready to launch, Dirk LP is living his dream, and he's only getting started. Once known only as Dirk, the Alabama native and veteran of the Dirty South music scene added "LP" to his name as "living proof" that with faith and hard work you can do anything.

"With a Vengeance" takes Dirk LP to new heights with the single "GetSumWare," produced by BBMG, which keeps the beats hoppin' and the lyrics flowin'. It's followed up by "Call 2 Greatness," expertly produced by Grim Reefah, and "Loudest of the Loud," a song that will "get you pumped." The release will be available through CD Baby.

Dirk's undeniable talent, fresh lyrics, and pulse-pounding beats make him a must-hear for all hip-hop fans.

He cites influences such as Outkast, Nas, and Jay-Z, and was featured in such notable magazines as The Source and XXL.

With his star on the rise, Dirk LP has taken great steps in the world of music, but to accomplish his dream he wants the world to hear and love his music. "With a Vengeance" is sure to make that happen.
