subjected to from radio and internet arise Hendrix-like vocals, screaming guitars and seemingly endless energy from the universe of sound called FYB. This band, headed by Deep Soulschool (Melvin Blakely), and John Dash (John "Dizzle" Davis), are both musical forces to be reckoned with. Together, they have written well over one hundred songs, and ha...ve come together for the purpose of procuring a Production or Recording agreement with a larger entity. This is NOT your average Rock band. This is FYB: Classic rock on, well, the most potent drug of choice, whatever that is these days. Listen. Be amazed... then contact the future of the Rock industry, also known as FYB (For You Brother)!
