Young 21 years old DJ from Lausanne, Kevin Hugron aka MADJIN has electronic music on his side for a long time. He is influenced by Dutch House style, mixing powerful rhythms with high melodies, he is playing all of the finest tracks and remixes made by famous producers from all over the night world.

He's uploading podcasts on Podomatic.com and iTunes that are upgraded monthly with the best hits. He is part of the TOP 100 on Electro House on podomatic.com among 15'000 others.

Worried about satisfying his crowd, he tries to be polyvalent and plays from Electro House to Electro to Dutch House.

In Feb. 2012 he was part of the lineup of FESTIV'Alps in Crans-Montana.

In late 2011 he started producing original mixes, bootlegs and also remixes.

In 2012 he finally joined BASS INVASION RECORDS.

"I hope to reach a new crowd and mix with new people, 2012 is just starting so keep an eye on MADJIN"
