Some reviews....(about "A Good Night in Cave Creek" song) This is country as it should be. Great vocal, and that good old country feeling. Great record quality, and overall great feel pushes this track in front of anybody else, both in the country genre, and in general. Heck, this is a great track partner! Yeehaaw!..." Christian Lowensprung, Concensus Music Reviews

(about "It's my Life" CD) : "...Great vocals are nothing without the right musicians and a top-notch engineering and production job, and you've got 'em all! Congratulations on some outstanding recordings.....very, very impressive and well done. And you cover it all from hard country to western swing and a great rendition of 'Something'. Looks like ya like Marty Robbins and he'd be proud to hear you doing his songs justice.. I pride myself in only playing the cream of the crop, and am pleased to include you in that grouping..."
