Many years ago, I came to realize that nothing matters in this world if we do not serve Christ in some way. My father, Bob Tyson, always said "I believe in eternal security, I really do but once you get saved, what are you going to do for God". These words have always impacted my life. There are so many people hurting throughout the world and only Christ can heal their wounds. In August 2007, God placed a burden on my heart to start a ministry that could show the Love that God has for everyone, not just the people in America. This is where the Samaritan Revival group started. At first, we met in a church in Honduras holding devotionals but now our group is traveling all over the world ministering through music and praise.

Mathew 24:14 says " And this gospel of the kingdom shall be preached in all the world for a witness unto all nations; and then shall the end come." We must preach the Gospel of Jesus Christ. It is not a favor that we are doing for the Lord, it is a commandment that God has given to all of us. I have seen many tears shed at the altar during our concerts and crusades and it is so wonderful to see burdens being left at the altar.

The Samaritan Revival Group consist of singers, preachers, and counselors. We visit churches all over the U.S. and Central America with only one purpose, to minister. We are not just a singing group, we are ministers. We have been called to do God's work on this earth until He returns.

Through crusades, evangelistic meetings, christian concerts, and revivals, our purpose is to open the eyes of the lost to a saviour that loves them so much that He would die on the cross for them. Our purpose is to open the eyes of christians who have fallen into a state of spiritual sleep to wake up and start serving the Lord. Can you imagine what would happen if all the christians in the world would start ministering to others? Everyone person in this cruel world would know about Christ and as Mathew 24:14 says "and then shall the end come". This means that Jesus would return for us.

Please keep our ministry in your prayers and we hope to see you soon.
