Sean Poluk's debut CD "NEVER" is a fresh, modern blues infused album with ten original songs.

Howling Louisiana harp, big brass Chicago horns, fierce Texas twang, soulful heart wrenching ballads, topped up with smokin' Canadian butt kicking rockin' roll.

Keeping true to his roots the underlying genre is blues, with a few tracks off the beaten path. Seamlessly blending his own style of blues with a generation of old.

Interacting with some stellar musicians from both Canada, and Spain "NEVER" came to life

Sean's Never release has been featured on The House Of Blues Radio Network along with receiving spins in Europe, Canada, USA and Australia. He also has been charting on the Canadian Roots Music Report.

**Sean Poluk's tour will kick off this year, opening the door for Europe in Spain, starting from the capital Madrid and giving way in Barcelona, Valencia and Sevilla.**
