born in Memphis,

Summer and the Sinners take you on a musical tour of Blues and R&B that slides easily between “Stax” and “Straight Texas Boogie!”

Summer can really get your attention with that sly, sexy, sultry growl in her delivery.

These guys will give you that "old-school" feel for the days of Mike Bloomfield, Janis Joplin and Big Brother."

Summer sings like she means it and will make the tunes in her sets as important to you as they are to her .

Quotes Donnie Walsh, from Canada's own Downchild Blues Band.

A crowd favourite at the 2012 Powell River Blues Festival, Summer and the Sinners from Victoria BC, are quickly gaining recognition as one of Vancouver Islands top Blues acts. Summer's great vocal ability, warm personality and captivating stage presence had our festival audience begging for more. Superbly backed by the Sinners, Summer and her band really delivers the goods! A swingin' good time and certainly one of the highlights of the 2012 Powell River Blues Festival! Be sure to check them out at a venue near you!
