We are a three piece rock band out of the Balt/Wash area that plays Modern Rock and Classic Rock covers with some originals as needed. Wolfspider has gotten national recognition as the official rock band for the Tony Kornheiser Show on ESPN's Sports talk Radio. Since June 1998, the music has been played on the show between commercial breaks. The show is syndicated, and it is heard on over 200 radio stations across the country. In turn, We performed at high profile gigs, such as the Milwaukee Rock / Metal Fest. Wolfspider targets all-age audiences. The new sound is coinciding with today's modern rock music.
