Maestro, meaning master or teacher, is a title of extreme respect given to a master musician. For Daron "The Maestro" Shuler this is befitting to this entitlement, which he personifies with great charisma and humility. Since the age of 14, Daron has been the epitome of musical innovation. As he grew up in the church, he was inspired to play gospel music, and because of his heart for God and his passion for ministry, "The Maestro" continues to spread the gospel of Jesus Christ through song all over the world. Daron studied both personally and collegiately, in depth and with great fervor, the stylings and techniques of great gospel musicians. In addition, Daron "The Maestro" Shuler has been blessed to perform and/or record with world renown artists such as: John P. Kee, Pastor Donnie McClurkin, Tye Tribbett, Joann Rosario, Marvin Sapp, Dorinda Clark-Cole, Natalie Wilson, Kierra "KiKi" Sheard, Richard Smallwood and Keith Washington, to name a few. His voice, divine; His music, phenomenal; His destiny, full of endless possibilities; His name, "The Maestro", Daron Shuler.
