GodSpeed3 is a dynamic band whose songs convey a positive Christ-centered message with an exciting stage presence and modern rock edge. The band has played from south Mississippi to Ohio and across the Southeast garnering rave reviews along the way. The sonic footprint of the band is unique in a world of sound-alike copycats. Recently signed to TMG Records, August 18, 2011 is the targeted release date for their new CD, "Redeemed". The vocals are smooth and unparalleled in passion and conviction. The guitar driven melodies will have you grooving to the music before you even hear the first word. In the four short years the band has been together they have shared the big stages with Mercy Me, DecembeRadio, Casting Crowns, Audio Adrenaline, 33 Miles, Addison Road, Jonny Diaz, Mike's Chair, Building 429, Abandon, Todd Agnew and Big Daddy Weave. GodSpeed3 was also placed on the official Grammy Nomination list in 2010 and 2011. The band has played to more than 50,000 people in the last three years and looks forward to spreading the message of Christ with their own brand of fun and exciting concerts. Already with twelve major sponsors on board and recently signing with Holt International, GodSpeed3 has hit the ground running with no sign of slowing. Expect big things from this band.
