Former punk rock lead singer and guitar hack from the 90s underground enigma-band TWISTED NIXON (1996-2002), Johnny Punish has embarked on a solo effort putting out 3 records; A Daring Escape From The Empire (2010), Ridin' The Bailout Bus (2011) & PunishMania (2012).

Punish, a singer songwriter musician, plays an eclectic style of music covering the many styles that interest him in the moment.

He's also a cyber journalist/activist penning for freedom, liberty, and justice around the world writing op-eds for VeteransToday.com and other web sites. He has over 200 critically acclaimed articles on the net

For his "day job", he runs a global media company partnering with other outgoing peoples who are of like mind and spirit.

Born in Bronx NYC, USA in 1963 to a mother from the Holy Land and an Italian American father from Brooklyn New York City, Punish has a strong background to draw from that gives him plenty of inspiration. Punish is a family man who lives on a dirt road with chickens. He's checked out of the material world and into the realm of reason, enlightenment, and humanity.
