Josh Cary is a singer/songwriter. Music has been an important part of his life since his dad bought him a guitar at 3 years old. He was born and raised in Canton, Ohio and always dreamed of making music a career. It wasn't until high school that he decided he wanted to start working towards making that dream into a reality.

Josh always found a way to use music and songwriting to express himself, but it wasn't until age 18 that he found something greater. He found Jesus Christ as his Savior. Since then, there has been a lot of ups and downs in his life as well as musically; however, God has always stayed the same and been faithful in blessing and using his music.

After working on many different musical projects, Josh decided to strip it all back down and go back to his acoustic roots. His inspiring lyrics and catchy melodies, mixed with a unique voice, creates a sound you won't find anywhere else.
