What a blessing to be counted among God's children. When I was ten years of age, my parents bought an upright piano and invited someone to come and play. This man sat down at the piano and performed for our family. It was amazing to hear the sounds coming from that instrument. I knew I had to learn to make those same sounds. I began first with one hand and then the other, and soon I could play a few chords. My brother K.C. and I joined a group and won 2nd place in a battle of the bands on April 10, 1964.

Songs of Joy was my first composition and was written in 1973. More songs would follow into the mid and late 80's. In 1988 I began to experience a drought that lasted over five years. I had my B3 Hammond organ in the building where I worked and in 1994 I began to pray over the past five + years of nothing new. I began to ask my Lord to give me something, anything. I was desperate to feel His Spirit composing through me again. At the completion of prayer one day, I sat down at the B3 and began to play and God gave me the song, Heavenly Father.

A spirit of revival invaded my soul in 1997 and for days the Lord gave me song after song, message after message and impressed upon my heart the urgency of the times in which we live. Out of this period of renewal came the songs, Get Ready, Come to Jesus, Our Lord Is Coming, Pray for all Nations, Jesus Hear Us, and others. Along with the songs came dreams and visions that remain strong in my memory today. They are visions of God's great love and awesome power that will be revealed and that is revealed to whosoever will take Him at His word and simply believe the gospel of Jesus, the Christ. Get ready 'cause He's coming.

I lost my dear wife to cancer on July 26, 2009 and words cannot express how much I love and miss her. We were married 40 years. I look forward to seeing her in heaven.

My Lord continues to bless and I am working on a new song entitled "You Are God". It is my sincere prayer that our Lord will soon heal us.

One brother in Christ,

Preston
