My name is Tonya Ceasar and I am a 40 year old born again Christian. I gave my life to Christ when I was only 16 years old. At the time, I knew I had a calling on my life to sing for the glory of God. I have been singing since the age of 4 and I love doing it.

After giving my life to the lord, I continued my passion in doing devotional services and participating in different church programs. At the age of 18, I married my husband (Dexter) of 23 years. We are blessed to have 4 sons (Dexter Jr., Emmanuel, Matthew, and Justin) and 1 granddaughter (Layla).

It was at the age of 19 when the lord began to deal bountifully with me in writing songs. I was blessed with the gift to write songs as I still do even now. At first, I thought it was just seasonal, but as time went on it continued and he dealt with me more and more in dreams and I was getting up in the middle of the night when he spoke to me what to write. In 1993, I submitted my first set of songs to the Library of Congress for copyrighting. I continued to write and formed a group in my home church called "The Anointed Voices", and we are still together today.

In 1999, I was blessed to participate in a local "Showtime at the Apollo" which I came in 3rd place. It was awesome. I have sung in many, many weddings, funerals, birthday parties, and appreciation parties.

While waiting on the Lord and still giving God the glory for the gifts he had given me, I continued to enjoy my position as Praise and Worship leader at my home church for the past 15 years. I sought the lord and he spoke to me that it was my time and season to go forth in songs for the world to be blessed by. I prayed and God led me to "Tate Publishing Company" where I currently am a gospel artist with a CD ready for release soon. The title of this CD is "Straight from the Heart" with many more CD's to come.
